LIMITED AUDIT REPORT ON THE CONDENSED HALF-YEARLY SEPARATE FINANCIAL STATEMENTS

To the Board of Directors of
Cerved Group SpA

Introduction

We have conducted a limited audit of the attached condensed half-yearly separate financial statements, which comprise the balance sheet as at 30 June 2021, the income statement, the statement of changes in shareholders' equity, the cash flow statement and the related explanatory notes of Cerved Group SpA for the six-month period ended 30 June 2021. The Directors are responsible for the preparation of the interim financial statements that provide a true and fair view in accordance with the applicable international accounting standard for interim financial reporting (IAS 34) adopted by the European Union. We are responsible for expressing an opinion on the interim financial statements based on the limited audit performed.

Limited scope of the audit

Our work was done in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". The limited audit of the interim financial statements consists of conducting interviews – mainly with the company's personnel responsible for financial and accounting aspects – financial analysis and other limited audit procedures. The scope of a limited audit is substantially lower than that of a complete audit conducted in accordance with International Standards on Auditing, and consequently does not allow us to be sure that we have become aware of all the significant facts that could be identified by performing a complete audit. Therefore, we do not express an opinion on the interim financial statements.

Conclusions

Based on the limited audit conducted, no elements have come to our attention that make us believe that the attached condensed half-yearly separate financial statements of Cerved Group SpA for the six-month period ended 30 June 2021 do not provide a true and fair view of the equity and financial position, economic result and cash flows of Cerved Group SpA, in accordance with the applicable international accounting standard for interim financial reporting (IAS 34) adopted by the European Union.
